5. HOW IT WORKS `/how-it-works`

SEO: Title: How WiVor Works | Photo Matching for Athletes · Description: See how WiVor matches athletes with event photos using face and bib recognition, and how photographers get paid.

- **Hero (fundo `#303841`):** H1 Simple for athletes. Simple for photographers. · Subtítulo Here's how WiVor turns event photos into memories, step by step.
- **Aba/duas colunas: For Athletes**
  1. Find your event — Search for your race or event on WiVor.
  2. Search for yourself — Enter your bib number or upload a selfie. We find the matches.
  3. Preview your photos — Browse every photo of you for free.
  4. Buy what you love — Choose your favorites, pay securely and download.
- **Duas colunas: For Photographers**
  1. Create a free account — Sign up in minutes. No fees.
  2. Shoot the event — Photograph athletes as usual.
  3. Upload your photos — WiVor reads faces and bib numbers and sorts photos for you

you.

4. Get paid — When an athlete buys, WiVor handles the payment and you get your share. *(confirmar com Victor a divisão de receita antes de publicar)*

- **Seção "The technology" (fundo `#eeeeee`):** H2 `Two ways to find you` · `Bib number recognition reads the number on your race bib. Face recognition matches your face to photos taken at the event. Together, they make sure you don't miss a shot.` · Link: `Learn how we protect your data →` → `/biometric-notice`
- **CTA duplo:** `Find My Photos` · `Join as a Photographer`

---

6. FOR ATHLETES `/athletes`

SEO: Title: `Find Your Race Photos | WiVor` · Description: `Search your event photos by bib number or selfie. Free to browse, pay only for the photos you want.`

- **Hero (fundo branco):** H1 `Find your race photos.` · Sub: `Enter your bib number or upload a selfie. It's free to search and free to preview.`
- **Bloco de busca (card central, sombra suave) — funcional:**
  - Campo 1 (dropdown com busca): `Select your event`
  - Campo 2: `Bib number`
  - Divisor: `or`
  - Botão: `Search with a selfie` (upload/câmera)
  - Botão laranja: `Show My Photos`
  - Texto pequeno abaixo: `Your selfie is used only to find your photos. See our Biometric Notice.` (link)
  - Estado vazio: `We couldn't find photos yet. Photographers are still uploading. Check back soon!`
- **Benefícios (3 colunas):** `See before you buy — Preview all your photos at no cost.` · `Pay only for favorites — Buy single photos, not packages you don't need.` · `Full-quality downloads — Get high-resolution files ready to share.`
- **Seção `Share your moment` (fundo `#eeeeee`):** `Tag @[WiVor Instagram handle] when you post your photos. We love seeing your finish lines.`
- **FAQ curta (3 perguntas, accordion):** puxar de `/faq` itens 1, 2 e 5.

7. FOR PHOTOGRAPHERS `/photographers`

SEO: Title: `Sell Event Photos Online | WiVor for Photographers` · Description: `Upload your event photos for free. WiVor matches athletes automatically and handles`

payments.

- **Hero (fundo `#303841`, texto branco):** H1 `Shoot the event. We'll connect you with the athletes.` · Sub: `Upload your photos to WiVor for free. We match them to athletes using face and bib recognition and handle all payments.` · Botão: `Join as a Photographer` · Link secundário: `See how it works`
- **Benefícios (4 cards):**
  - `Free to join` — `No monthly fees. No upload fees.`
  - `Automatic matching` — `No manual tagging or sorting. Athletes find their own photos.`
  - `Payments handled` — `We take care of checkout so you can focus on shooting.`
  - `More exposure` — `Your work reaches athletes who are actively looking for their photos.`
- **Para quem é:** `Whether you're a professional or building your portfolio, if you can shoot an event, you can sell on WiVor.`
- **Passo a passo:** reutilizar os 4 passos de Photographers de `/how-it-works`.
- **Formulário de cadastro (campos):** Full name · Email · City/State · Instagram or portfolio link (opcional) · Types of events you shoot (checkbox: Running, Triathlon, Cycling, Other) · botão `Create My Free Account`. Confirmação: `Thanks! We'll be in touch shortly.`

8. FOR EVENT ORGANIZERS `/organizers`

SEO: Title: `Event Photography Partner | WiVor for Organizers` · Description: `Give your athletes professional photos at no cost to you. Partner with WiVor for your next race.`

- **Hero (fundo branco):** H1 `Give your athletes the photos they'll remember.` · Sub: `Partner with WiVor and offer professional event photos with no cost to you and no extra work for your team.` · Botão: `Become a Partner`
- **Benefícios (4 itens):**
  - `Zero cost` — `WiVor is free for organizers.`
  - `No extra work` — `We connect photographers and athletes. You focus on the race.`
  - `Better athlete experience` — `Athletes get their photos fast and share them, which promotes your event.`
  - `Free marketing` — `Every shared photo shows your event to new participants.`
- **Como funciona para o organizador (3 passos):** `Tell us about your event` → `We coordinate photographers` → `Athletes find and buy their photos`

~~coordinate photographers · Athletes find and buy their photos~~

- **Prova:** We've partnered with [Georgia Multiports] on triathlon races. *(só se Victor autorizar; incluir detalhes/resultado se tiver)*
- **Formulário:** Organization name · Contact name · Email · Event name and type · Estimated participants · Event date · Message (opcional) · botão `Request a Partnership`.

9. FAQ `/faq` (accordion, 8 perguntas)

1. **Is WiVor really free?** Yes. It's free for photographers, event organizers and athletes. Athletes only pay if they like their photos and choose to buy them.
2. **How does WiVor find my photos?** We use bib number recognition and face recognition. Enter your bib number, upload a selfie, or both.
3. **Do I have to buy photos?** No. You can browse your photos for free and buy only the ones you want.
4. **How do I receive my photos?** After purchase, you can download high-resolution files right away. [Confirm delivery details].
5. **What if I can't find my photos?** Photographers may still be uploading. Check back in a day or two, or contact us at [support email].
6. **How is my face data used and protected?** Your selfie is used only to match you with your event photos. [Insert retention and deletion policy confirmed with legal]. Read our Biometric Notice.
7. **How do photographers get paid?** WiVor handles payments. When an athlete buys a photo, the photographer receives their share. [Confirm payout schedule].
8. **How can my event partner with WiVor?** Fill out the form on our Organizers page and we'll get in touch.

10. ABOUT `/about`

- H1 Every athlete deserves their photos.
- Texto: WiVor is an online platform that connects photographers and athletes. Photographers capture the moment. We make sure the right athlete finds the right photo, using face and bib number recognition, and we take care of payments along the way. We believe event photos should be easy to find, fair for photographers, and free of risk for athletes.
- Seção Our values: Simple · Fair · Professional
- [Founder story / team photo, opcional — Victor decide]
- CTA: Get in touch

12. Páginas legais (obrigatórias por usar reconhecimento facial)

- **Privacy Policy, Terms of Use, Biometric Notice.** A WiVor usa dados biométricos (rosto). Nos EUA há leis estaduais sobre isso (ex.: Illinois BIPA, Texas, Washington). **Victor deve validar os textos com um advogado** antes de publicar. O desenvolvedor deve apenas criar as páginas e links.
- **Consentimento:** antes de enviar a selfie, exibir checkbox obrigatório: `I agree to the use of my selfie to find my photos, as described in the Biometric Notice.`
- Banner de cookies simples (Aceitar / Recusar).

13. Técnico e SEO

- Site rápido: imagens em WebP, lazy loading, meta de compartilhamento (Open Graph) com logo/imagem de atleta.
- Favicon: ícone do logo.
- Analytics (Google Analytics 4) e Meta Pixel; eventos de clique em `Find My Photos`, `Join as a Photographer`, `Become a Partner`.
- Todas as imagens com `alt` descritivo (ex.: `Runner crossing the finish line at a 10K race`).
- Domínio: www.wivorphotos.com, HTTPS, redirecionar sem-www para www.
- Formulários: enviar e-mail para `[email da WiVor]` e salvar em planilha/CRM.

14. Imagens necessárias

- Hero Home: atleta em ação (corrida/triatlo), alta resolução, sem logo sobre a foto.
- Cards de público: 1 foto por público (atleta, fotógrafo com câmera, linha de largada).
- Use fotos reais de parceiros fotógrafos (com permissão) ou banco de imagens livre; **não** usar fotos de outros sites de fotos esportivas.
